# Partner Portal Access – New Users

1. On the Partner Portal login page, you will need to select '**Existing Partner, New User? Apply Here**'.

2. In the **Partner Application** page, type in your email address and click 'Next'.

3. Select '**Yes, I am an employee at one of the following companies'** and company account in the **Company Selection** page.

## Company Selection

Please review the companies listed below and indicate whether you are an employee at any of them.

- ◉ **Yes, I am an employee at one of the following companies.**
  Please indicate which company you are an employee of.

- ● **Confluent Test Account**
  Tysons, 22102
  United States

- ○ **No, I am not an employee at any of the above companies.**
  You will be required to complete a new account registration form on the next page.

**NEXT →**

*Please note that we have 1 account per country unless your account has a global agreement with us. If you do not see your country in the list, you will need to submit a new partner application.*

4. This will take you to the **User Registration** page, where you will need to enter your details and click on Submit.

## User Registration

Please fill out the registration form below. All fields marked with an asterisk (*) are required.

- Select One -

**SUBMIT**

5.  Once you fill in your details and submit the form, you will receive an email with the login credentials, which will include the system generated temporary password. If you do not see it in your inbox, please check your spam folder. In the event if you still don't end up getting an email, please write to [partners@confluent.io](mailto:partners@confluent.io).

6.  You can use the temporary password that you received to login for your first time. Upon your first login, you will be required to set a new password.
